Dark Powers of the Antichrist

S Rob
Who is the Antichrist?

Many people will already know who Christ is, but I will explain this fully because the antichrist can be best understood by knowing also Christ. In fact Christ is the son of god, and according to the Christian religion he was the saviour of man: he opened the gates of Heaven through his death on the cross: although he then rose again. In fact
Christ has already come onto the Earth approximately 2,000 years ago and is named Jesus. Jesus Christ is a personification of all that is good, and yet he is god and man. But not considered a demigod but fully god and fully man. But although Christ is the son of god but according to Christian ideology and religious belief, the son of god, god the father and the holy spirit are one entity, although also three manifestations. But what is most important is to remember that Christ is good, and he saved man: meaning all humans. The antichrist is the complete opposite because he is a figure that comes after Christ and hales the end of
the world. The antichrist is therefore evil, and is a representation of evil. The antichrist is a false messiah, a false prophet and people will believe that he is a representation of god, and in fact he will lie to everyone, and will be the single greatest manifestation of evil on Earth. But the idea of an antichrist is one which is not just within Christianity and in the religion Islam there is a figure called Masih ad-Dajjai who is the Islamic equivalent of the antichrist. This does not mean that the antichrist will appear evil in fact in the bible he is called a false prophet: which means that he will have the look of a real prophet; he will even
behave like a real prophet. The appearance of the antichrist on the Earth marks the end of the world. However there also is one other important fact and this is that the antichrist is the son of the Devil: just as Christ is the son of God. This means that the son of the Devil will be reborn in human form upon the Earth; he will grow up and become a false prophet. He will claim to himself be the son of God; he will himself claim to represent all good. He will say that he is going to save people from starvation, and evil, when in fact he is evil. If we take this to be the same person as Masih ad-Dajjai from Islam then there also is a description:”He is blind in his
right eye and his left bulges out like a grape” and it is also said:”His right eye will be punctured, and his left eye would be raised to his forehead and will be sparkling like a star. Only the believers will be able to read the word ‘Disbeliever”, inscribed in bold letters, on his forehead….All rivers, falling….will become dry and he will call upon people in a loud voice, "O my friends come to me! I am your lord who has made your limbs and given you sustenance.””’ He will therefore disguise himself as a saviour of all. But the antichrist marks the end of the world and in fact if we believe the bible we are not to be saved but to
be destroyed and some even tortured in Hell for very little reason, and it is said that if anyone gets the mark of the Devil upon them, they will be tortured in Hell no matter what the circumstances.

**Establishing communication with the antichrist in Hell**

Communication with the antichrist in Hell is not as difficult as you may imagine. After all it would be quite easily seen and obvious to many people that Hell is far from the Earth and so communication with anyone within Hell must be extremely difficult. In fact communication into Hell is not difficult at all, and this means that Hell and many
other realms are right beside us, and very near us at all times. This means that communication with the antichrist is not difficult as long as you know how to do it. Hell has a gateway, but the gateway to Hell is alive, it is a thinking entity that can be asked to open up. In fact this is the reason why people often call the gates of Hell the Hell Mouth, this is because it is a mouth, it is the mouth of Leviathan who can open his mouth: also the gates of Hell: so that entities can be allowed to and from. This also allows us to communicate with entities within. In fact you can also astral project through this gateway and so communicate with the
antichrist. But you can also communicate with entities that you have summoned through the gateway. However while it is unlikely that you will open the gates to Hell enough to be seen by you, you may feel its presence, and even feel a change in temperature when it opens. But here we will be communicating through the gates of Hell itself without astral projection. However please note that this should be done from a close but not too close a distance to the place where you will locate the gates of Hell. I mean this to say that you should not walk through the location to the gates of Hell, because although it is unlikely that a
completely solid gateway to Hell will be formed I do not want you to risk being pulled through into Hell. This means that walking through into Hell is also not a good idea because I do not want you to feel you have lost anything. But also I have to be honest and say that there will always be some risk when working with the antichrist in this way unless you realise that as a human you have the power to command, and this one fact is the only true hope for humanity. But here is how to establish communication with the antichrist.

**Establishing communication with the antichrist**

Leviathan you who are the mouth of Hell, Hell’s
mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell in that place that leads to the antichrist, within right in front of me. Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist hear me words, I who stand at the gateway to Hell, wish to talk to you now. Antichrist son of ancient evil, the personification of the most evil that shall again walk the Earth: I
ask that you hear my words when I talk to you and this is what I ask: that you hear my pleas. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

Spell to summon the spirit of the Antichrist

Summoning the spirit of the antichrist is not a small thing: in fact it is a serious magical act, because you will be summoning an entity that will cause the destruction of the Earth and the end of humanity as a living force. This means that this magick must be performed in such a way that we can stop the
world being conquered by the antichrist: at least not because of the magick we have done. But for us to summon the antichrist to us, we will be opening the gates of Hell and this means we will be using Leviathan. Leviathan is a very powerful devil and yet I am now showing you how to get Leviathan to open a gateway to Hell so that the antichrist can step through and be with us, but so that we can open the gates of Hell and get him to be in the very gateway just ahead of us: this way he does not set his foot on the Earth. However in Hell he will be more powerful and for this reason I want you to stand with one foot in front of the other so that you
will not be so easily pulled into Hell itself by him. This is because if you lose control of the antichrist and he pulls you into Hell that, that is it, it will be a one way trip: do not expect to ever get back again to Earth. But I will help you to see the antichrist because such figures do not always appear in solid form: usually they do not. This means that I will have you close your eyes at one point so that you can see the gates of Hell and hopefully the antichrist himself. But it is because of the inherent danger that you may wish to actually have some type of tool with you. But the tool I speak of is not a magical one: because if the
antichrist appears in solid form and tries to drag you to Hell, it may be useful to have some type of weapon. At this point most occultists would point you to holy water, but I honestly believe that some type of physical weapon may be of more use. The reason is that protective spells will take too long to work to be useful against the antichrist. But do not pick some type of weapon that is illegal and although guns are legal some places, you should also think what happens if the bullet aimed at the antichrist passed through him and through a wall, or into someone else. But something easy to use such as knife or baseball bat may be far more
useful because all that you will need will be enough of a weapon to stop him pulling you in so that you can pull back, because he will not be able to pass into this world yet unless you allow him to. You will then be able to perform the end of the ritual to close the gateway and close him within.

Don’t get me wrong if you have a sword and you are allowed to have it then have it with you. But remember it is not there to direct magick power it is there to fight off the antichrist if he tries to pull you into Hell. Now that you should be properly prepared I will teach you the ritual.

Spell to summon the spirit of the Antichrist
(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan: open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell: the place that leads to the antichrist: right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the
antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over and not into the world. Antichrist step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist if not repeat the line “Antichrist step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell”. Look at the antichrist with your eyes shut but whether you see him or not he will be there. Open your eyes.) I now step back from the gates of Hell. Leviathan, close your
mouth, Hell’s mouth, close the gates of Hell.

Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

**Petitioning the Antichrist to bestow his infernal power upon you**

This magick that I will show you here will be to get the antichrist to give you his power. This does not mean that he will be without power: but that you also will have some of his power. He will still have more of his power; it does mean that you could be thought to be in some ways an antichrist, meaning one of the false prophets that precede him before his appearance. But his occult power is
great and yours will be greatly enhanced with the addition of his powers within you. But to work this magick and gain his power you will again need to use Leviathan to open the gates of Hell, and as before we will be summoning the antichrist to the edge of the gates of Hell and this means that as before we should be careful to make sure that we understand that we should pull back if we feel ourselves being touched so that we are not physically pulled into Hell. As I said before if you are pulled into Hell there is very little chance of you getting out: by all means try but your best chance is at the very beginning so pull back and if
you are pulled in, put up as good a fight as you can, because it is literally a fight for your life. But if you are sure that you want to perform the ritual here is how.

**Petitioning the Antichrist to bestow his infernal power upon you**

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your
mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell.
(Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me your power, make your power mine, this is what I ask from you. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

Prayer to the Antichrist for his eternal blessings from Hell (general)

I will now show you how to get the eternal blessings from the antichrist. This will mean that
the power of Hell will help you always. As before
be careful that you know the dangers involved. But
also realise that you as a human are superior to
magical beings like the son of the Devil: the
antichrist. You have powers that he does not have,
and by this I mean that they are created with flaws
and when using the correct method we can
command and turn entities such as the antichrist
into our magical servants. But if we think about the
world in which we live in, it is obvious that many
things labelled as sins are in fact positive traits at
times, and it is the power of these that we will get
from this next ritual.
Prayer to the Antichrist for his eternal blessings from Hell (general)

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in
front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over and into the world. Antichrist step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me your eternal blessings, and that the infernal spirit of evil shall help me always; this is what I ask from you. The antichrist agrees. I now
step back from the gates of Hell. Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

Prayer to the Antichrist for his eternal blessing 
(on a specific matter)

The antichrist can help you: in fact the antichrist can help you with anything, because things are easier for him because he has a complete lack of morality, incredible power and also will not get caught. This means that using the antichrist can help to make your life easier. You after all do not need unlimited power, you just need access to
enough power to make thing easier. I know that the idea of getting a blessing from the antichrist for something is not a usual idea, and you may wonder what type of things he can help you with. Well we can take it for granted that things like revenge on someone: we should state their name or a description: is something that the antichrist can give to you. But also wealth, money, power, sex, love, lust; almost anything you could desire. It is easy to see the usefulness of this. But we should not forget that such a blessing is done to be eternal and so if you decide after asking for wealth, that you do not want any more money, this does not
mean that you will not get it. This would also be
the same for the person that asks for love, they
would keep getting love and not necessarily from
the same people, whereas someone who asks for
love from a particular person will find that this
person still desires them even when they do not
desire them anymore. This means that you should
think carefully and for this reason, money, wealth
and success are safer things to ask for than many
others. But if you have something in mind to ask
for, you can proceed with this magick: but I would
advise you to give yourself twenty four hours to
think it through, so you know that is what you
really want.

Prayer to the Antichrist for his eternal blessing (on a specific matter)

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I
command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over and into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me your eternal blessing for state what you
want, and that the infernal spirit of evil shall help me to get **state what you want**; this is what I ask from you. The antichrist agrees. I now step back from the gates of Hell. Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

**Prayer to the antichrist for great wealth**

The magick I will show you will attract wealth. But it is not eternal magick and this means that you are able to change what you want, in time through working different magick, spells or prayers. This is because although much powerful magick stays
with us, magick wearing off can be a good thing, because it means that we can use this as an opportunity to alter our goals. In fact there is nothing wrong with altering our goals and as we grow and change it is perfectly fine that our goals may change. But this magick will attract great wealth to you, and this is especially powerful magick because although the world cannot do without money, money comes from the Devil and so the antichrist is about the best person there could be to help you gain great wealth. But you will find that this magick will also attract to you opportunities to make great wealth. But we cannot
manage without money; we need it like we need air and having more money helps us to have greater opportunities. Money opens doors, it is a universal means of exchange, and as such is an easy form of power to turn into another form of power. Wealth is great to have and life is difficult without it.

**Prayer to the antichrist for great wealth**

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of
Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The
antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me great wealth, attract great wealth and opportunities to gain great wealth to me; this is what I ask from you. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

Use this magick and great riches will be yours: gain wealth and prosper. You may have the help of
the antichrist but you also have helped yourself through working this magick. Magick is after all a power that none can take from you, and another way to get what you want. But this magick does not mean that you cannot or should not use what other methods you find appropriate that are at your disposal.

**Prayer to the Antichrist for a lavish, easy lifestyle**

I want to give to you a wonderful life. By a wonderful life, I mean a lavish, easy life, with the most deluxe of everything, with the most splendid of items that you own: the life where you may live
within a mansion or luxury penthouse; with only the finest food for you to eat, and the best clothes for you to wear, and so the most lavish lifestyle possible. The magick to gain this is here and this means that you are already on the right path to be living the very best life. But if we think about it although people always imagine that the best possible location to be is Paradise: in Heaven: but in the religions linked to Paradise there are many things that we are not allowed to do, such as overindulge: such as overeating, drinking too much. But also sex with many partners and so with this in mind how good can Heaven be anyway? This
means that the antichrist will have more power even to make your life more lavish and luxurious.

But this magick does not just work through the power of the antichrist but also through your power. You have power because your human will and intent is very powerful and when it is used correctly with the correct method it is so powerful it can alter the world even to the degree of allowing you to command the antichrist so that he must give to you a lavish, easy, luxurious lifestyle.

**Prayer to the Antichrist for a lavish, easy lifestyle**

(Note: if you see the antichrist or the gates of Hell
in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound
travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me a life of luxury where I will live the finest life, surrounded by luxury and with an easy life; this is what I ask from you. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan:
close the gates here and now. The gates of Hell are closed. So it is and will be.

Use this magick and a luxurious lifestyle can be yours. But also do not get in the way of getting and having this lifestyle, because people often stop themselves from achieving their goals and sabotage them. You deserve this life and so you should get it, so work this magick and get the life of luxury you desire.

Prayer to the Antichrist for worldly power of all kinds

Worldly power is power of the mundane and
seemingly of a non magical nature. But power and abilities that seem to have no basis in the occult frequently are aided by it. The reason is quite simple and that is that the occult touches everything. But for those that are very interested in the occult do not look down on worldly power: the power of what is classed as the normal world: the non occult world. In fact worldly power can be power over other people, wealth, it can also be about status that we may gain or have through the organisation of people, societies, and there are many other ways too. Much of worldly power comes from the way that we organise society, and
although this is something that politicians and business people know about, we all need to know, that how people organise themselves is important. This is not merely about networking but also about understanding how people and organisations connect. But this magick makes this easier because it is also about power within and helping these networks and opportunities to work well for you. You will find that a lot of the type of coincidences that will work for you and will seem to occur and flow to you, will occur through this magick. The world will be easier for us to control and for us to gain in power and this power is something that you
must decide for yourself what you do with, or not: the choice is yours. Worldly powers are vast in scope and so with this magick working for you, your life will be noticeably easier, all tasks will be easier to fulfil, and all efforts you do make will yield more than they would otherwise.

**Prayer to the Antichrist for worldly power of all kinds**

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s
mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the
gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me worldly power, of all kinds, give me worldly power give this power to me; this is what I ask from you. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

After you work this magick to gain the most from it
you should embrace the worldly power that it sends to you. I say this because you as an individual could always choose to step away from what is sent to you, and so you should be careful that you knowingly accept and move ahead with your life and embrace this power.

**Prayer to the Antichrist for carnal pleasures of the flesh (men and/or women)**

Sex is what people want, and its pleasurable aspect has maintained the human races existence for a very long time: and the existence of all other Earth species that do not reproduce asexually: without a partner. Sex is used as an image to sell
cars, and many other products because marketing people understand that linking a product to sex will help it sell. This does mean that sex is used to sell almost anything from garden tools to underwear. But you do not need the car, or even the garden tools because here is magick to attract to you, men, women or both that will want to have sex with you, so that you will know the carnal pleasures with them. The most attractive people will want to be with you, and you will be able to be with them. This magick will show you how to be brought to the highest levels of pleasure imaginable.

Prayer to the Antichrist for carnal pleasures of
the flesh (men and/or women)

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist within, right in front of me. (Close your eyes and you should see
the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you attract to me good looking *state men, women, or people* who will all want to have sex with me and I ask that you give this power to me; this is what I ask from you. The antichrist agrees. I now step
back from the gates of Hell. (Take a step back)
Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

If you use this magick your life will be transformed, and you will find many different attractive people will wish to have sex with you and the very heights of sexual pleasure will be achieved. This is magick that unleashes the sexual magick and passion that is within you. Do not feel that the power that flows from this magick is such that you do not have control over it day to day,
because in fact you have a choice over who you wish to be with, why and when, and also over what you choose to do. It is not like some crashing stone, rather a machine that turns a wheel that leads to sex. But you can still push the off button by choosing not to be with him or her if really wish.

Prayer to the Antichrist for dominion over all rivals

Everyone seems to have a rival or enemy at some time that they know of and if we were able to list those rivals and enemies that we do not know about: which would be impossible: our list would be huge. But this helps to point out the problem
with many rivals and even enemies is that we do not know who they are; they work quietly against us in the shadows, safe knowing that we do not know who they are or what they are planning to do. But we also can work from the shadows if we choose to and we do not even need to know their name. The antichrist knows all about rivals, he has the most powerful rival of all Jesus, and yet as written in the bible he wins, and it is he that hails in the end of the world. The antichrist therefore has a very powerful ability to deal with rivals, even your rivals when we use magick with him. But when we think about it why wouldn’t the antichrist
want you to have control over your rivals: so that they can be controlled by you? The magick that follows therefore is for your rivals to be under your control. This means that you will be able to dominate them; so that you will lead them, and this, after all is the ultimate form of revenge: for those that wish to rival you or even destroy you to be lead and dominated by you, and to have to do what you tell them to do: to get this try this magick

The gates of Hell are closed. So it is and
Prayer to the Antichrist to strike down all enemies wherever they may be

I understand that sometimes controlling our enemies may be enough or even what we want; but we may instead wish to kill them. This has several disadvantages as a plan, the most important being that such a course of action will carry a severe penalty: such as jail, the electric chair, being hung, or someone the person knows simply killing you: what order you rank these unfortunate although not unpredictable results is up to you. The point is that it is best to use the occult rather than to kill a
person physically with some weapon: the reason being that obviously we can utilise magick and it is not even illegal to do this in most places. However telling someone that you have cursed them sometimes is and is called threatening behaviour. But why tell them what has happened to them when you can make it happen and be free and clear from any blame. I understand that some people may want their enemies to know what is about to happen or to tell their friends and relatives so that they get the full details of what has occurred and even details of the pain of any death caused to the cursed person. I will now show you how to call upon the
antichrist to strike down all your enemies. Just perform this ritual while intending magick to work.

**Prayer to the Antichrist to strike down all enemies wherever they may be**

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open
the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you
strike down all of my enemies, use your power to
destroy them completely, so that all of my enemies
are killed; this is what I ask from you. The
antichrist agrees. I now step back from the gates of
Hell. (Take a step back) Leviathan, close your
mouth, Hell’s mouth, close the gates of Hell.
Leviathan: close the gates here and now. The gates
of Hell are closed. So it is and will be.
This magick also shows how powerful you are,
because you have learnt how to make the antichrist
no less, into your own person assassin. The death
that your enemies will suffer will be a painful and
torturous one because this is the nature of the
antichrist. But also this is a most powerful curse that will attack and kill all of your enemies; it is not just targeted at one person and you may find that many people in your local area, and people who have similar interests drop dead for no apparent reason: we already know the reason but this does not mean we should not show it.

Prayer to the Antichrist to strike down all those who secretly plot against you

There are many enemies and rivals that hate us but do nothing and while some may think about doing something it is those that act upon their thoughts that are our problem. In fact some people think not
just in terms of a simple attack: that even if successful wouldn’t work against you: but rather with the knowledge that other people will do what is best for them: or what they think is best for them or their group. These people will work out a plan that most likely will work, and of those that think of this plan, those that act on it will be more likely to have a good chance of winning. But we have someone on our side, of course he is not the type of fellow who we might wish to meet our mother, or father. He may not be the type of person you would want to turn your back on if we walked the Earth. But he will help us, and he will do this because he
has to: he has no choice. He is commanded by us and so he will strike down those that secretly plot against us. This is also an important point he does not strike down those that secretly plot, but only those that secretly plot against us: after all some people may plot in secret for us, so that they deal with problems so that we do not need to, and such people are staunch allies and they will not be attacked with this magick. But those who work against us in secret will.

Prayer to the Antichrist to strike down all those who secretly plot against you

(Note: if you see the antichrist or the gates of Hell
in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound
travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you strike down all who secretly plot against me, use your power to destroy them completely, so that they are all dead; this is what I ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell.
Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

*Prayer to the Antichrist for mental strength and focus*

As the old joke says:”Health is a wonderful thing to be blessed with, especially when you’re sick”, the same could be said for mental strength and focus, we may as occultists be thought to be as mad as a mad march hare after drinking absinthe, but that does not mean that we are, or that we cannot be mentally strong and possess focus. In fact many of us have such abilities in abundance and partly this is because of the beneficial aspect of magick
when done by us. But such abilities are often thought to be quite separate from the occult and yet they are not. In fact nothing seems to be ever entirely separate from the occult or anything else. Mental strength means that if we ever do get any mental illness that we will rebound and still live a good life: although this magick will give to us a degree of protection from such illness. Of course much of what we do in the occult seems to be insane to other people. But this does not mean it is: we should remember that much of science seems equally bizarre and strange. But also mental focus is important because it is this that gives us the
concentration necessary to perform many difficult tasks. But this focus does not mean that we cannot take inspiration from the many other subjects and areas which are around us. In fact inspiration is something that can come from many different subjects and areas. Also being unhappy with the world the way it is, leads to progress: especially if the person who is unhappy about the world sets out to produce solutions to its problems. But the mental strength and focus that is given through this magick better prepares you for the time ahead.

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan
let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me mental strength: make me mentally strong: let me have mental focus: I ask that you give this power to me; this is what I ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close
your mouth, Hell’s mouth, close the gates of Hell.
Leviathan: close the gates here and now. The gates
of Hell are closed. So it is and will be.

Prayer to the Antichrist for physical strength
and endurance

Our physical strength may not be called into
question that much: although for some people this
is a daily occurrence: but we use it all the time.
But also when we think about physical endurance
we should realise that thinking for a long time is
often aided by physical endurance. But although
we may not feel we need physical prowess when it
is needed it often is vital for our well being, or
some important task. But the ancient Greek ideal of a healthy body in a healthy mind is still a good one. But as occultists we should use magick to improve our physical prowess, and that is what you will learn to do. But we should think about the antichrist and remember that he is strong and powerful and has great physical endurance, and all of the other gifts you would expect him to have. With the physical strength and endurance of the antichrist: or at least part of its power: within you, you will be stronger, and be able to keep going longer all of which will make you a more difficult opponent for anyone. Success does not always
come through physical strength and endurance and you will still have any other abilities you had and this magick works very well with the last for mental strength and focus: both of these when used together can transform a person into a better version of them self. But for those that seek these powers here is how to obtain them.

Prayer to the Antichrist for physical strength and endurance

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)
Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not
over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me greater physical strength, of all types in and over all of my body: Antichrist also give to me great physical endurance of all types within and throughout all of my body: I ask that you give this power to me; this is what I ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell.
Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

The strength and endurance you gain will be especially of use to those who are sportspersons but this does not mean, that you will not all gain a lot. Of course you can do whatever exercise that would be beneficial and this magick should make it easier to do and so improvement will be faster but if you maintain this fitness with exercise then the magick will be even more beneficial.

Prayer to the Antichrist for protection from all black magick
Black magick is real, just as real as white magick or any other great source of power. But this does not mean that it can only work for us, because just as we can utilise magick against other people, other people can work magick against us. This means that we need some form of protection, some strong protective magick. This is not a problem because the same sources of the other magick’s power: that is in this book: can help us: yourself and the antichrist. The antichrist has extremely powerful magick and so by extension so do you. But he can easily be used by you to give to you strong protection against all black magick. You are
not therefore left vulnerable to attacks by other occultists, and you should remember that not doing the occult is no protection from its powerful attacks or those done by its practitioners. The good news is that most practitioners of the occult arts are not thinking of there even being a possibility that their opponent would want to utilise the occult. With this in mind they make all attacks without thinking that the other person could do magick: it would be like an assassin attacking another person: he would never think that there may be the other person creeping around wanting to kill them. But we are quite aware that in the world of magick the
problem of having two ninjas: meaning occultists: moving silently in the dark wanting to destroy each other, happen far more than we would realise: or want to.

(Note: if you see the antichrist or the gates of Hell in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your
mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell.
(Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me your full protection from all attacking black magick, destroy all attacking magick sent to attack me, protect me with your immense power: I ask that you give this power to me; this is what I ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

Prayer to the Antichrist for protection against
all worldly dangers

Although it is not possible to remove all magick from the world, without this facet we are left with the mundane world: that which people foolishly refer to as the real world. Although the term is convenient, and so do not think too bad of me if I ever fall into this most easy trap, because I won’t really mean it and I know the real world is far more unusual than we think. But the mundane world has many dangers, and yet people often when writing about magick try to give the impression that the occult is all that is needed for us to know how to get whatever we want. But the
world is dangerous and we do not always get a second chance, and a man with a knife can kill us faster than we may realise he is there: or a woman. In fact people are dangerous and give even the most un-athletic person a weapon of any sort, and a real reason to kill and as history shows us, the bodies may pile up very high before such a person is stopped: if they are ever stopped. I also know that survival is the most important thing because dead people have very little influence in the world, they don’t get to eat, drink, have sex, they don’t even get to choose what type of clothes to wear: not that our power stops when we die, and part of
my mission as an occultist is to empower humankind to spread to all planes of existence, all of space, and to grow in power, and this includes those who are deceased. I will show you some magick to protect you from worldly dangers, but know that other forms of protection are good too, such as watching what is going on around you.

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me your full protection from all attacks, use your protective power so that all physical attacks are sent away and all people wishing to perform such attacks are moved away from me using any method necessary: I ask that you give this power to me; this is what I ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth,
Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

**Prayer to the Antichrist for business success**

Business success is not like other forms of success because business success is being rich. Many other forms of success have many different aspects to them, whereas business is about profit, and very little else, and a business that does not make a profit will not be of any use to you. But we are blessed because business success comes quite easily to the antichrist. Just as money is not a Heavenly thing, and you will find no use for it in
Heaven: business is much the same. But these are also Earthly things that we could not do without. In fact business success is one of the leading reason why people call upon black magick, that and love, or money. The important thing to remember is that we have the power to command the antichrist, and this means that we are even more empowered magically and magically being empowered means that you have a better chance of being powerful in other aspects of your life. I know that business success is something that may confuse people when many business gurus will tell you that it is not about money: that is said so that they can have it.
But it also is true that many people see a business person as being rich themselves, simply because they own a business: this is not true. But I can show you here how to get the assistance of the antichrist, and this is more advantage than many people ever get. However by all means utilise all other advantage and methods that seem to you quite correct to use. But to command the antichrist to help you gain business success, simply perform the magick that follows while wanting it to work.

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound travels through the gates. Antichrist step to the
edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you give to me business success, make me a very successful business person, wealthy and powerful: I ask that you give this power to me; this is what I ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here
and now. The gates of Hell are closed. So it is and will be.

Prayer to the Antichrist to be intensely desired by all women (or all men)

While it is wonderful to be respected, to be desires sexually is a lot more fun. But while many of us may have been lead to believe that this is simply a matter of wearing less, or wearing closer fitting clothes, this does not always work and may have the reverse effect for some. But it is felt by many people that desire has some type of magick to it: although it is thought by many to be some separate magick quite different from any other. But
in fact being desired sexually is something that magick can make happen. It can change the focus of attention of people, and it can make desire appear where there was none before. This magick is for both sexes and this means that it will attract to men or women: you choose. But when we have this power, being with people sexually becomes much easier, and being the centre of attention is very easy too. In fact being more sexually desirable has many advantages, and even if we look at the media there are far more successful public figures who are attractive than those who are ugly. People say that good looks are only skin deep but in our case
it is as deep as this magick reaches. The antichrist may not be the first figure you think of when you think of good looks. But he knows as well as any other, that such things help people to make things happen, they can oil the wheels of success of any sort whatsoever. Therefore with much attention given to detail I present the magick to help you be desired sexually through the power of the antichrist.

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you make me the desire of all state women or men make it so that they have an intense sexual desire for me and this is what I ask from you the antichrist: I ask that you give this power to me; this is what I ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth,
close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

Prayer to the Antichrist to become a high priest of Hell who can speak things into existence

This magick is actually quite a commitment because it means that when you die you will go to Hell and become a high priest of Hell. But the power gained in the living world, will be the same as in your deceased state: you will have the power to speak things into existence. You will literally be able to create things: bring them into this world simply by saying their name and wishing them to
appear. But do not perform this magick if you do not want it. But all magick can be undone but quite simply do not perform this magick with this in mind, and I would say that if you do ever wish to not be a high priest in Hell after having performed this magick, then you should pray intently to any non demonic deity to be released. But this magick may to be simply words, but they are not and as long as you really want to them to work while you say them aloud they will be magical.

**Prayer to the Antichrist to become a high priest of hell who can speak things into existence**

(Note: if you see the antichrist or the gates of Hell
in solid form then do not shut your eyes during the ceremony)

Leviathan you who are the mouth of Hell, Hell’s mouth, I ask that you open your mouth: the gates of Hell right in front of me. Leviathan: open your mouth, the mouth of Hell: open the gateway to Hell right in front of me here and now. Leviathan, open the gates, open the gateway to Hell. Leviathan I command you to open the gateway to Hell that place that leads to the antichrist, within right in front of me. (Close your eyes and you should see the gates of Hell if not proceed anyway) Leviathan let the antichrist hear my words as the sound
travels through the gates. Antichrist step to the edge of the gates of Hell, step to the gates but not over, and not into the world. Antichrist: step to the gateway so that I can see you and talk to you. The antichrist steps to the edge of the gates of Hell. (Close your eyes and you should see the antichrist but if not proceed anyway) Antichrist I ask that you make me a high priest in Hell with the power of being able to speak into existence anything I want to, this power is what I seek from you and for this I will gladly be a high priest in Hell when I die with all privileges and powers that I have when alive: I ask that you give this power to me; this is what I
ask you to do. The antichrist agrees. I now step back from the gates of Hell. (Take a step back) Leviathan, close your mouth, Hell’s mouth, close the gates of Hell. Leviathan: close the gates here and now. The gates of Hell are closed. So it is and will be.

To use this power simply say:”I now call into existence state what you want to exist” and it is this easy. The magick is this book uses your power and adds to it the power of the antichrist. This does not mean that this magick has made you make any pacts with demonic entities: except this last one. But for those that do work much of the magick in
this book you will gain in many ways some of which may not yet be immediately apparent. Use magick and you prosper in so many ways.
